

PHILLYFIT has a GREAT way to increase viewership of your ad, **ALOT!**

Make your print ad in PhillyFIT Magazine LIVE on our website, PhillyFIT.com, for only an additional \$75 with purchase of your print ad!

Did you know that **PhillyFIT Magazine** gets over **250,000 hits** per issue, that is a ton of viewership that could be clicking on **YOUR** ad and linking directly to **YOUR** website, from **OURS!**

How it works:

Each issue of PhillyFIT Magazine is posted on our website... for readers to scroll through, page by page. When a viewer sees your ad on the page now, you can purchase a link to make it link directly to your website! Simply provide us with your URL (web address) and we'll make your ad 'live' once the issue is posted online!

*Any size ad goes live for the same price of \$75. There is no difference in viewership based on the size of the ad, so the price will not vary.
