Nutrition in Motion

RECEIVE 20% OFF PACKAGES
new clients only.

Helping you get healthy by changing your eating habits... one meal at a time. How do you want to feel when you are 60 - tired, dazed from medications and crippled? Or healthy, alert and able to do activities as if you were 30? Nutrition has a big role to play in that decision. What you do **now** will affect you later. It's not just food in and food out, but what else affects your food intake.

Call Joanna, **Nutrition in Motion** at **215-272-6774** to learn more about nutrition coaching: 1-on-1 personalized sessions, 8 Week Boot Camp, Grocery Shopping Asst and more. Let this be the start of a new & healthy you!
